Description

2011 Quicksilver 530 Pilothouse powered by a 2011 Mariner Optimax 75HP engine.

The Quicksilver 530 Pilothouse is a fisherman's dream: a practical fishing and pleasure boat with a good-sized lockable cockpit, a cabin with skylight and enough accommodation to escape from the weather and cabin for overnighting.

The open-backed wheelhouse with unique plexiglass skylight combines with the cockpit to give maximum space. The cockpit is large for a boat this size; with a helms seat and folding co-pilots seat for good all-round visibility.

The Quicksilver Weekend 530 Pilothouse is a 5.38 meters cuddy boat with a draft of 0.35 meters. This stunning
